Report of Principal and School

Liberty High School is a AA high school in a rural setting in the upstate of South Carolina. We offer students a wide variety of strong programs in academics, arts, and athletics. Students can take AP Human Geography, AP Literature, AP Biology, and AP US History along with dual enrollment courses with Tri-County Technical College: English 101/102, Economics, Math 120, Political Science. Additional courses are offered to students on their campus sites. Students have opportunities to achieve membership in the International Thespian Society and National Beta Club. Students can participate in clubs like Fellowship of Christian Athletes and Student Government Association. We offer unique classes that include Ultimate Frisbee, Special Olympics preparation, Theatre Design, and 3D Art. The LHS Band is growing and finished with commendable evaluations at Concert Festival. LHS has students compete and achieve at All State in Chorus, Band, and Athletics. LHS has opportunities in 14 sports with all athletic facilities on the school site. This year a tennis club was added to expand the interest in tennis at LHS. Competition Cheer and Wrestling were both runners up at State. Several athletes advanced to Upper State and State in individual sports. Two wrestlers and one track athlete took individual state medals in their respective sports.

In the classroom, students have instruction that engages them in active learning opportunities. Classes begin with activators and end with summarizers to help introduce, reinforce, and reteach material. Students in Environmental Science partnered with Vulcan Materials to develop a nature trail, complete with learning stations. The Career Prep class completed an environmental grant through the SC Soil and Water Conservation group and planted raised beds and partnered with Environmental Science with a focus on recycling at LHS. Several teachers in math, English, social studies, science, and PE embraced the use of Edmodo and other Web 2.0 tools for use with student communication and course assignments. Some teachers used flipped instruction to engage students further with technology in the learning process. Others implemented Bring Your Own Technology activities in the classroom to expand student opportunities to use technology for learning.

LHS continues to address school needs and challenges. Every student has an advisor, a guidance counselor, and an assistant principal assigned to him or her who remains with that student for all four years of high school. We have a graduation coach to help with struggling and at risk learners. Our freshmen start with an orientation to high school. LHS hosts College Application Day and assists seniors and their parents with the college application process. Over ¾ of the senior class enroll in a college or university on this day. LHS holds a college, career, and community fair. LHS continues to develop strategies to further engage parents and community members in the learning process. LHS has a high population of students who are on free and reduced lunch, who have learning challenges, and who are first time high school graduates and/or college students; therefore, we believe that our students deserve every opportunity to succeed and have the preparation necessary to succeed.

Liberty High School continues on its mission to prepare students to be college and career ready for the twenty-first century.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	80.1
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Liberty High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
